UNILATERAL AGREEMENT AND
DECLARATION FOR CONDITIONAL ZONING

UNILATERAL AGREEMENT AND DECLARATION FOR CONDITIONAL ZONING

THIS UNILATERAL AGREEMENT AND DECLARATION FOR CONDITIONAL ZONING (hereinafter referred to as this "Unilateral Agreement" or this "Declaration"), made this 2nd day of March, 2020, by HALEIWA KEM 7309 LLC, a Hawai'i Limited Liability Company, whose address is 59-134 Paumalu Place, Hale'iwa, Hawai'i 96712 (hereinafter referred to as the "Declarant").

WITNESSETH:

WHEREAS, the Declarant is the owner in fee simple of that certain parcel of land situated in Hale'iwa, O'ahu, consisting of approximately 23,137 square feet, described as Tax Map Key No. (1) 6-2-007: 016, and more particularly described in Exhibit A attached hereto and made a part hereof (the "Land"), and desires to make the Land subject to this Unilateral Agreement; and

WHEREAS, the City Council (the "Council") of the City and County of Honolulu (the "City"), pursuant to the provisions of the Land Use Ordinance ("LUO"), Revised Ordinances of Honolulu 1990 ("ROH") Section 21-2.80, as amended, relating to conditional zoning, is considering a change in zoning under the LUO of a 13,137-square foot portion of the Land, more particularly described in Exhibit B attached hereto and incorporated herein, from the R-5 Residential District to the B-1 Neighborhood Business District (the "zone change"); and

WHEREAS, no construction or development is proposed as a part of the requested zone change; and

WHEREAS, the portion of the Land subject to the zone change, consisting of 13,137 square feet, is depicted as the cross-hatched area designated as the proposed zone change area on the portion of Zoning Map No. 17, attached hereto as Exhibit C and made a part hereof (the "zone change area"); and

WHEREAS, the Declarant is also the owner in fee simple of a parcel of land adjacent to the Land, consisting of approximately 20,154 square feet, described as Tax Map Key No. (1) 6-2-007: 017, and zoned B-1 Neighborhood Business District; and

WHEREAS, a public hearing regarding the change in zoning, Bill 58 (2019), was held by the Council on February 19, 2020; and

WHEREAS, the Council recommended by its Zoning, Planning, and Housing Committee Report No. 98 (2020) that the said zone change be approved, subject to the following conditions contained in this Declaration to be made pursuant to the provisions of ROH section 21-2.80, as amended, relating to conditional zoning, and to become effective on the effective date of the zoning ordinance approving the change of zoning (the "Rezoning Ordinance").

NOW THEREFORE, The Declarant hereby covenants and declares as follows:

1. Compliance with Conditional Use Permit No. 2016/CUP-6. Within 180 days after enactment of the Rezoning Ordinance, the Declarant shall provide to the Department of Planning and Permitting ("DPP") a copy of the Joint Development Agreement recorded with the State of Hawaii Bureau of Conveyances, pursuant to that certain conditional use permit minor (DPP File No. 2016/CUP-6), which permitted the joint development of two parcels identified as Tax Map Key Nos. 6-2-007:016 and 6-2-007:017.
2. Compliance with applicable development standards. Within 180 days after enactment of the Rezoning Ordinance, the Declarant shall provide to the DPP for review and approval a site plan and elevations for the storage shed and carport located within the zone change area, showing compliance with the applicable development standards, including but not limited to yard setbacks, transitional height setbacks, and screening requirements under the LUO.
3. Transportation. Prior to the submittal of a building permit application for any change in existing land use or new development within the zone change area, the Declarant shall consult with the State of Hawaii Department of Transportation ("HDOT") as to whether an update to the Traffic Assessment Report ("TAR") dated March 12, 2019 is required. If required, the Declarant shall submit to the HDOT for its review and acceptance, an updated TAR that more accurately reflects traffic volumes based on the proposed change in existing land use or new development, and evaluates whether the change in the existing land use or new development is consistent with the conclusions made by the initial TAR. The Declarant shall submit to the DPP as a part of any building permit application for the zone change area, documentation of the Declarant's consultation with the HDOT, and if an updated TAR is required, documentation of the HDOT's review and acceptance of the updated TAR.
4. Compliance with Other Governmental Requirements. The Declarant acknowledges that approval of the zone change does not constitute compliance with LUO or other governmental requirements. They are subject to separate review and approval. The Declarant shall be responsible for ensuring that any future development of the Land complies with all applicable LUO and other governmental provisions and requirements.
5. Annual Reports. On an annual basis, the Declarant shall submit a written status report to the DPP documenting its satisfaction of, or describing its progress toward complying with each condition of approval for this zone change. The status report shall be submitted to the DPP by December 31 of each year until such time as the DPP has determined that all conditions of approval have been satisfied.
6. Noncompliance with Conditions. In the event of noncompliance with any of the conditions set forth herein, the Director of Planning and Permitting shall inform the City Council and may seek civil enforcement or take appropriate action to terminate or stop any future development of the Land until applicable conditions are met, including but not limited withholding issuance of any permits related to the future development of the Land. Noncompliance also may be grounds for

the enactment of ordinances making further zone changes, including revocation of the underlying zoning, upon initiation by the proper parties in accordance with the Revised City Charter.

NOW THEREFORE, Declarant hereby makes the following additional Declarations:

As used herein, references to a specific City department or agency shall be deemed to include a reference to any successor department or agency.

That the conditions imposed herein are reasonably conceived to fulfill public service demands created by the requested change in zoning and are rationally related to the objective of preserving the public health, safety, and general welfare and the further implementation of the General Plan of the City and County of Honolulu.

That any development of the zone change area shall conform to the aforesaid conditions with the understanding that, at the request of the Declarant and upon the satisfaction of the conditions set forth in this Unilateral Agreement, the Department of Planning and Permitting may fully or partially release, as applicable, any of the foregoing conditions that have been fulfilled.

That if there are any conflicts between this Unilateral Agreement and any previous unilateral agreement(s) applicable to the zone change area, the terms and conditions of this Unilateral Agreement shall apply.

AND IT IS EXPRESSLY UNDERSTOOD AND AGREED that the conditions imposed in this Declaration shall run with the Land and shall bind and constitute notice to all the parties hereto and subsequent lessees, grantees, assignees, mortgagees, lienors, successors, and any other persons who have or claim to have an interest in the Land, and the City and County of Honolulu shall have the right to enforce this Declaration by rezoning, appropriate action at law or suit in equity against all such persons, provided that the Declarant or its successors and assigns may file a petition with the Department of Planning and Permitting for amendment or removal of any conditions or termination of this Declaration, such petition to be processed in the same manner as petitions for zone changes.

IN WITNESS WHEREOF, Haleiwa 7309 KEM, LLC has executed this Unilateral Agreement and Declaration for Conditional Zoning on the day and year first written above.
